

## Standard Process Supplements

### Cardiotrophin PMG

Cardiotrophin PMG combines bovine heart PMG™ extract, calcium, and magnesium to support heart muscle function.

[More Information](#)

- Provides uniquely derived nucleoprotein-mineral extracts that support cellular health
- Supports the heart and cardiovascular system
- Supports normal heart cell growth and differentiation
- Contains naturally occurring coenzyme Q10
- Twin product to Myotrophin PMG†

### Cardio Plus

Cardio-Plus helps support the cardiovascular system.

[More Information](#)

- Supports the healthy functioning of the heart and other muscles
- Supports normal coronary blood flow
- Provides antioxidants
- Contains bovine heart PMG™ extract, which provides naturally occurring Coenzyme Q10
- Support for increased oxygen demand during exercise
- Twin product to Myo-Plus
- Contains a combination of key ingredients from Cataplex G, Cataplex E2, Cardiotrophin PMG, and Cataplex C†

### Vasculin

Vasculin is designed to support the cardiovascular system.

[More Information](#)

- Supports healthy functioning of the heart muscle
- Provides ingredients with antioxidant activity
- Contains naturally occurring Coenzyme Q10
- Promotes healthy heart connective tissue
- Contains a combination of key ingredients from Cardiotrophin PMG, Cataplex E, Cataplex B, Cataplex C†

## Cod Liver Oil

Standard Process Cod Liver Oil addresses vitamin A deficiency and vitamin D deficiency while supporting the body's natural inflammatory response and a healthy immune response. Careful processing ensures this cod liver oil maintains its natural profile of vitamin A, vitamin D, omega-3 fatty acids, and a small amount of coenzyme Q<sub>10</sub> (CoQ<sub>10</sub>).

[More Information](#)

- A cod liver oil with a natural profile of vitamin A and vitamin D
- Provides EPA and DHA omega-3 fatty acids that, according to the United States Food and Drug Administration, may reduce the risk of coronary heart disease
- Supports immune response
- Supports healthy eyes and skin
- Supports epithelial tissue
- Supports bone and tooth health
- Supports musculoskeletal system
- May support mood challenges and liver function
- Supports the body's natural inflammatory response
- Contains small amounts of naturally occurring CoQ<sub>10</sub>†
- In convenient perles with a natural lemon flavor
- Standard Process Cod Liver Oil tested for purity by a third party

## Hawthorn

Hawthorn contains oligomeric procyanidins, flavonoids (including vitexin-2-rhamnoside) and other compounds. This product is standardized to contain 6.01 mg of vitexin-2-rhamnoside to ensure optimal strength and quality. The substances in Hawthorn, particularly the oligomeric procyanidins and flavonoids, work together to:

[More Information](#)

- support the healthy functioning of the heart muscle
- help maintain normal blood pressure within a normal range
- supports normal coronary blood flow
- promote cardiovascular system health
- provide antioxidant protection Δ

## General Health Package

General Health Daily Fundamentals provide convenient foundational maintenance support to help patients maintain optimal health. Boxes include a 30-day supply of individual packs containing:

[More Information](#)

- Catalyn (3 tablets) whole food multivitamin
- Trace Minerals-B<sub>12</sub> (1 tablet) trace-mineral supplement
- Tuna Omega-3 Oil (2 perles) to provide omega-3 fatty acids for support of heart, brain, eye, and joint health\*

## Additional Supplements

- CoQ10
- D-Ribose
- L-Carnitine
- Magnesium
- Niacin
- Vitamin E
- Fish Oil Omega 3
- Pantethine
- Vitamin C
- Curcumin
- Resveratol
- Cocoa flavanols
